

2018 Bronze Spring Meeting at Bournemouth and Meyrick Park

Welcome to the rescheduled Bronze Spring Meeting. We have been so lucky with the weather this time. It has been absolutely glorious. After the original competition's floods, I think we deserved it.

I liked to thank Fiona Langridge, the Ladies' Captain, for being so friendly and welcoming and making sure that there were so many spotters on the course. We couldn't have managed without them.

I'm sure we all agree that, although the course has been very challenging, that Mo Bah and his team of greenkeepers have done an excellent job of getting it in such good condition - especially considering the drought we have had recently.

Thanks to John Brewin for doing such a good job of starting both competitions.

Thanks to Peter and all behind the bar for feeding and watering everyone so well.

The Low Bronze

The ladies in this competition, certainly took advantage of the good weather with many coming in with some excellent scores. The nett competition was won by Pam Gibson of Parkstone, who came in with nett 68. She wins the Cox Cup. Ann Chandler of Wareham was beaten into the Runner Up spot on countback, also with nett 68. She wins the Sime Salver. Pam Gibson also won the Bannister Cup for the best gross score, 92. The RU and winner of the Helen Edwards Cup with 93 was Carolyn Weldon of Broadstone. Well done everyone.

The High Bronze

Once again we had some very good scores in the afternoon stableford competition. The winner with 39 points was Fiona Langridge, the Ladies' captain, from Bournemouth and Meyrick. She wins the Craig Trophy. Anna Lee from Broadstone was the RU with 33 points. She takes home the De Gruchy Salver. Third place on countback with 33 points was Stephanie Bennet from Bournemouth and Meyrick GC.

Before we go, I must thank my wonderful team of Execs: Grace our President and Liz and Kate, without whom none of this would have been possible.

Thanks to everyone for coming and supporting the County. Well done Ladies on a very successful day of golf.

Tracy Bryant
County Captain
