

## **County Bowmaker at Wareham Golf club on 18<sup>th</sup> July 2018**

**Thank you to everyone who entered our second County Bowmaker at Wareham Golf Club. This year we had 126 ladies playing only one short of the number of ladies in the Senior Championship – a great effort from the ladies.**

**It was wonderful to see ladies that have not played in County competitions, playing and enjoying themselves even if the course was playing very tough. The course along with the majority of courses in Dorset, was very dry and golf balls were either running long distances down hills or vice versa.**

**Despite the problems ladies encountered everyone finished and enjoyed a lasagne or vegetarian moussaka with salad and chips. Thank you to Tony Woodward, Trstin Evans, Dai Phillips and Erin Snook for keeping us fed and watered.**

**Wareham GC made us very welcome and Chris Veazey was there helping organise the ball spotters. The day started with a first tee of 08:30 and a last tee of 14:14 and the Club Captain, Gordon Thursfield did an excellent job keeping on time with all the tee times.**

**We had a number of ball spotters, who did an excellent job:**

**Jan Finch, Richard Preston, Steve Fletcher, Nigel Carr, Chris Veazey, Tony and Eva Hordle . Also, thank you to members of the Executive who helped ball spot on 8<sup>th</sup> and 16<sup>th</sup>.**

**Thank you to Jon Shimmons and Tom Kley in the Pro shop and Sylvia Preston for the lovely flowers.**

**Again, Dawn, Kate and Liz were outstanding in all the work that they put in when running competitions for the Ladies – they were at the club for more than twelve hours.**

**I hope everyone enjoyed the competition and look forward to next year at Came Down GC.**
