

Seniors' Championship 2019 - held at Yeovil Golf Club

Again, this was a very well-subscribed Championship with over 100 players entering this year. As has been usual with County, we had a lot of weather; wind, rain, hail and sunshine!

Thanks to ladies' Captain Jo Clements who gave us a very warm welcome. Thanks of course to the manager Chris Huggins who has been such a help with the organisation. We couldn't have asked for more.

I have to applaud Yeovil on the excellent condition of the course, on which so many ladies commented. Thanks to Head Greenkeeper Jason and his team for their sterling efforts.

We were all looked after extremely well by bar staff and caterers; Tony, Julie, Del, Tristan and Max.

Thanks to starters Jean Pomeroy and Jill Devoto who did an excellent job in the horrible conditions.

I must add that Jo Clements and Jean Pomeroy stayed at the club helping us all day which was going above and beyond the call of duty.

Huge congratulations to Di Loving of Weymouth GC on winning the title of Dorset Seniors' Champion 2019 with a very creditable gross 81. She wins The Holmes Cup. Di Loving's fine performance also won her The Centenary Bowl with a nett score of 70.

I can't end without thanking Liz, Kate and Grace from the Executive for all of their hard work during this day and beforehand. This event could not take place without the tremendous amount of time put in by all of the team in organising and running this extremely popular event.

Many thanks to all who took part, whatever their score – especially in light of the weather! This was a great advert for the club and for Senior women's golf.

Tracy Bryant – Dorset Ladies' County Captain
