

The R&A are keen to locate Tessa as 2019 marks 100 years since the first British Girls' Championship was held. They are inviting all past Champions to a Celebratory dinner.

Tessa was a member of Came Down Golf Club from the early 1950s to mid-1960s. Tessa was British Girls' Champion & SW Ladies' Champion in 1958. She also received several National & International Caps.

I would really appreciate your help, if possible, in making contact with Tessa and hopefully one of your readers will have some information. My contact details are: [juantab46@gmail.com](mailto:juantab46@gmail.com) or 07929542325.

Many thanks, in anticipation
