Hello Everyone,

Please find attached the Tee Times for the first round of the Peter Alliss.

If any parents can attend as ball spotters or to assist by keeping an eye on the girls we would be very grateful.

However, the Spectator Code will be in operation.

This will be enforced should the occasion arise.

Before you go out on the course as observers, ensure that you have my Mobile No. so that you can contact her over any problems.

Girls, you may have your Mobiles with you, but switched off. They are only to be used in an emergency / rules problem to contact the referee.

I hope that the weather is kind for you and that your golf lives up to your expectations.
