

Ellie Mans of Dudsbury and one of DLCGA Junior team had an exceptional weekend last week

Ellie scored a gross 70 at Brokenhurst Manor on Saturday 4 July in the 1st round of the Hospital Cup and came 2nd (with 42 stableford points) on countback out of 177 adults - a fantastic score for Ellie's 1st competition after Lockdown. This score has put Ellie in Brokenhurst's Hall of Fame with the lowest gross score played from the Red Tees. After Sunday's 2nd round, Ellie came 2nd overall in this Trophy competition.

On Monday 6 July Ellie played her best round yet in the Junior Leslie Fletcher Trophy at Barton on Sea and scored a gross 69 and came 3rd overall on countback again with 43 points. The Junior Section at Barton on Sea is very competitive with a number of high handicappers competing.

After this run of brilliant golf Ellie's handicap reduced from 3.3 before Saturday's competition to 2.1 after Monday's competition - an amazing achievement for one of Dorset Ladies County Junior Team players.
