

# DORSET LADIES COUNTY GOLF ASSOCIATION

## County Junior Organiser Needed

We will need a new CJO for October 2019  
Do you think you can help?

You will need to have a keen interest in motivating young golfers, be able to organise fixtures and matches, communicate well and work within a team.

As you will be working with children, you will need to consent to an Enhanced DBS check.

Contact any County Executive or Club Delegate for more information. All emails can be found on the 'About DLCGA' tab of this website.
