

**Well done also to the Sherborne Junior Team of
Ollie Griffiths
Elizabeth Ashford
Matt Drayton
Theo Anderson-Gannon
Daniel Porter
Lauren Carty**

who successfully reached the National Final of the Junior Team Championships on Saturday.

In atrocious weather conditions at Royal North Devon, only nine holes were possible before the event was curtailed. They finished tied for first place but missed out on the win under the tiebreak rules. There was then an agonising delay waiting for the result of the North-East final, before they earned a wildcard invitation as the best second placed team.

They now travel to Northallerton this weekend for the final on Sunday. Sky TV will be there to cover the event.

If they finish in the top two on Sunday, they earn a place at the Home Nations event in February. This is normally held in Portugal, but Covid dictates that this year it will be Scunthorpe!!
