

ASHLEY WOOD & PALMER TROPHIES

On Tuesday 3rd August, the girls played in the Ashley Wood & Palmer at Ashley Wood Golf Club. The course was in fantastic condition and the girls really enjoyed playing, especially because the rain stayed away.

The girls all kept up and played at a very good pace and there was some excellent play. The girls were hitting the ball amazing distances – up to 290 yards, I could only dream of hitting the ball that far.

We had a number of new girls playing in their first major competition and they all played very well and enjoyed themselves.

The winner of the Ashley Wood Trophy (gross) was Hermione Christey Clover, (Ashley Wood GC), runner up – Chloe Northover, (Yeovil) and in 3rd place was Chloe Haesler (Broadstone GC).

The winner of the Palmer Trophy (nett) was Elle Read, (Ferndown GC), runner up was Evie Brown, (Sturminster Marshall GC) and in third place was Jessica Stainer (Ferndown GC). The winner of the U14 was Honor Johnson (Broadstone GC).

I would like to thank Steve Sanger, General Manager (Ashley Wood GC) for his continuing support to Dorset Junior Girls and to all the members and staff at Ashley Wood GC again for continuing to support Dorset Junior Girls.
