

WAREHAM TROPHY 2021

The Wareham Trophy was played on Sunday 10th October at Wareham Golf Club. We had a very large field 18 mixed pairs of varying handicaps.

It started out cloudy but the sun came out in the afternoon and it was a lovely day. Some of the higher handicap and younger players began to run out of energy from the 13th but carried on gamely.

As in previous years a couple of good scores came in but it was the latter players who managed to score well.

The winners were Isabella Rowan and Luke Hare with 38 points, followed closely by Emily Harrington and Brynmor Truman with 37 points. In third place were Honor Johnson and Andy Su with 35 points (they played off 1), with Evie Brown and Daniel Pratt in fourth place with 34 points.

Prizes were presented by the outgoing Ladies President – Val Ford. I would like to thank Val for attending all the junior girl's competitions over the last two years and we wish her well looking after her grandchildren and look forward to seeing Dr Jo Hadley at our competitions next year.

I would like to thank Jon Shimmons, Wareham Members and the catering staff for continuing to support Dorset Junior Girls and especially the Wareham Trophy. It has been played since 1985.

I would like to thank Junior Committee Members – Steve and Ali Haesler. Martin Purchase and Kay Everett for again helping out and making sure that there was fair play. Also, Mike Dodd who put together a large number of the players from his Academy. Mike also attending in the afternoon.

This is the last junior competition for 2021 and we look forward to starting 2022 competitions with the Peter Allis and Georgia Hall competitions.
