Valerie Williams (Parkstone)

Entering County Competitions – Important Information

- Entry Forms for County Events should be located in your locker-room and further copies are available from your County Delegate and on the Website to download.
- If you are unable to play once you have submitted an Entry Form, please let the County Secretary know as soon as possible.
- Copies of the County Rules are on the Website, in your locker-room and your County Delegate holds a further copy.

You will be required to produce a current year World Handicap Index Certificate at all County events; access to the Internet is not always guaranteed.

DLCGA: The Association was founded in 1911 by a few golf clubs who thought it would be useful to form a county golf association to act as a central authority for determining questions

which might arise – and to promote the welfare and interests of the ladies’ amateur game in Dorset. This remains as true today as it was then, with the main objective being the promotion of the amateur game and the maintenance of the traditions and rules of the game, as defined by the Royal and Ancient Golf Club. The following does not cover everything the County Association does, but we hope it helps you understand that we are here for club golfers at all levels.

HANDICAPS: The County Handicap Advisor is responsible for advising clubs on administering the World Handicap Index handicap scheme.

COURSE RATING: We have a dedicated, trained rating team to maintain course standard scratch scores in line with the USGA course rating system.

COACHING AND JUNIOR DEVELOPMENT: Golf coaching is central to developing, sustaining and increasing participation in the sport. Coaching also improves performances, which result in greater success

CHAMPIONSHIPS AND TOURNAMENTS: The Association runs the County Championships and other County meetings, as well as the Interclub Cup, Humphrey’s Bowl and Parkin Cup.

COUNTY REGIONAL REPRESENTATIVE: Liaises with England Golf on SW tournaments and matters arising in the South West region.

COUNTY TEAMS: The County 1st and 2nd teams, Seniors, Juniors and Veterans compete against teams from Cornwall, Somerset, Devon, Wiltshire, Hampshire and Gloucestershire.

GOLF DEVELOPMENT: the DLPGA, DCGU and Professionals have set up the Dorset County Golf Partnership (DCGP), which aims to access various external funding sources in order to increase participation in playing golf within the County.

If you would like further information, please visit the web site www.dorsetladiesgolf.org or ring any of the officials listed in this booklet.
